New for 2009, Down to Earth has added a Wholesale Division. We will be providing an opportunity for you to receive our high quality and unique plants at wholesale prices with no minimum order! All we ask is that you have a copy of your business card and tax exempt certificate on file with us. You can even use your credit card.

We invite you to stop out or give us a call to see what we have in stock or we can special order just for you! If we do not have what you are looking for, let us know, we can probably have it within one week or so.

Not only will we be offering you the very highest quality and unique plants, but now we have bulk rock, mulch, sand, & base coarse. Plus weed fabric, paver & lawn edging, invisible edging, erosion control mat, geo-grid, silt fence, and sand lock. Also, new for 2009, Down to Earth will be the areas only Belgard paver distributor! Belgard is the leader in today's paver market and is continuously coming out with new products. Stop by today to see all of our complete lines. Down to Earth has also added natural stone to our 2009 line-up; we will be stocking flagstone, outcropping stone, and lawn edgers. We will also special order just about anything you may need to make your job stand out from the rest. (Call or e-mail us for our 2009 pricelist)

Free delivery is available! Our crews can bring your plants, pavers, or natural stone right to your job site, thus saving you time and money! Ask us about our delivery schedule and rates. (Order must be \$500 or more to qualify for free delivery) Don't forget to ask about our design services also, bring in digital picture and we can create a computer animated landscape design for you and your customer at no charge to you!

Thank you for your consideration. We look forward to working with you. May God bless you and your team this 2009 season. Together we can build a beautiful community.

Sincerely,

The Down to Earth Team
